

# HELP US SHINE A LIGHT ON MEDICAID SHARE YOUR EXPERIENCE!

In a new collaboration\*, the State Health Access Data Assistance Center (SHADAC) and Health Leads are working together to explore whether creating a new data tool could help state Medicaid programs. To achieve this, we are asking for community input on how they would define healthcare access that would sustain healthy communities.

If you are a current Medicaid member, Medicaid-eligible, or the caretaker or guardian of a person who has Medicaid, we invite you to join this effort:

- Complete this 5-minute interest form to share your Medicaid experience.
- Your feedback will help shape the future of this project, and participants may be selected to join one of our three regional community groups.
- These groups will meet (virtually and in-person) five times over the course of a year (June 2024 - June 2025)

[\*\*CLICK HERE TO SHARE YOUR FEEDBACK\*\*](#)

## BENEFITS

Members selected to participate will:

- Be compensated for participating - \$150/hr
- Have a safe, collaborative place to share and learn about others experiences with Medicaid
- Lead efforts to enhance our understanding of Medicaid programs and services.
- Receive recognition for their expertise in a report to project leaders, with their consent.

## REQUIREMENTS

- Commit up to 6 hours monthly for a year
- Attend five meetings over 12 months: 2 virtual and 3 local in-person
- Review materials prior to meetings, engage in discussions, active listening, and respectful dialogue

## COMPENSATION

Medicaid members, Medicaid-eligible people, or caretakers or guardians of people with Medicaid who are selected to participate will be paid \$150 an hour for each meeting.
