SEXUALITY & DEVELOPMENTAL DISABILITIES: A WORKSHOP FOR PARENTS AND GUARDIANS

TUESDAY, OCTOBER 22: 6:30 – 7:30PM

Talking with our young and grown children about sexuality can be a difficult task. As parents and guardians, we often worry whether talking about it gives permission and whether they can be safe from harm when they are in relationships.

This workshop will help you become more comfortable discussing this topic by covering when and the most effective ways to talk about this sensitive topic.
